# About Us

## | Who We Are

KAYPORT is an international trading company based in Kayseri, Turkey. We are specialized in manufacturing and exporting the best types of Turkish furniture and accessories, in addition to linens, mattresses, building materials and engineering services that transform customers' dreams into real designs in the very top quality.

## | Our Journey

From Mersin 2014 and Kayseri 2015, KAYPORT started its exciting journey as a Turkish manufacturer and exporter of high quality and professional furniture, home furnishings and accessories that meet the aspirations of customers.

After the great success that resonated with Turkey and the world, the company expanded its work in 2020 to meet the different needs of customers, and developed its human resources and professional competencies, to provide the best types of mattresses and textiles, in addition to furniture for large projects such as offices and hotels.

In Kayport, we are proud of our wide network of relationships with the strongest customers and partners all across the globe. Our services are currently spread in Europe (Turkey and Spain), the Middle East (Kuwait - Saudi Arabia - Sultanate of Oman) and Africa (Egypt - Morocco), with its future vision in entering the markets of Russia.

## | Our Vision

At Kayport, we believe that the foundation of every success is furniture made with great care and good taste. Therefore, we always aspire to be at the forefront of the furniture manufacturing and exporting market in Turkey, the Middle East and the world. The company is always working to expand and develop its work to meet the needs of customers by providing extra high-quality products such as mattresses, linens, textiles and various building materials, because the comfort and trust of our customers is always our primary goal.

## | Our Mission

We are constantly working to provide the best furniture and furnishing products and accessories, with high quality that fulfills the satisfaction of our customers. We also provide top high-guarantee export services that deliver our products with confidence to all parts of the world at high speed and ideal prices, to make Kayseri a global port for the best types of furnishings and related services.

# Products - Furniture

## ● | Hotel Supplies

Our work includes providing all the products needed to equip major projects such as hotels with the best types of furnishings that suit the purpose of the project in particular. As we provide everything you need, from furniture of guest rooms of various sizes and requirements, to the furniture and accessories of the reception and lobby areas, for elegance and perfection beyond imagination.

## ● | Home Furniture

We are working to manufacture and develop the best and latest types of Turkish furnishings and furniture produced with great care and high professionalism that suit the customer's aspirations and achieve the sustainability they desire. Our products include all bedroom, sitting rooms, dining rooms, and kitchen furniture , all the way to the distinctive outdoor seating, of all kinds, accessories, and tastes, from the luxurious classic heritage style to the modern and elegant style.

## ● | Workplace Supplies

Because the basis for the success of projects begins with its furniture, we at KAYPORT appreciate all the studies that have proven the role of interior designs and furnishings in increasing employees comfort and customer satisfaction. Therefore, we provide everything that companies and workplaces need from elegant and comfortable furniture, starting from offices and meeting rooms, to the reception and waiting foyers, to ensure absolute comfort for employees and great confidence for customers.

**KAYPORT** is your perfect choice to find all kinds of Turkish furnishings that combine superior quality and the most elegant design for wonderful products that exceed your expectations and accompany you in your successes and your special memories.
